**REQUEST FOR APPROVAL OF DRAWING CORRECTIONS**

Dear Sir:

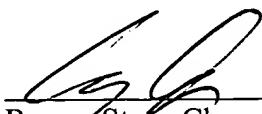

In response to the requirement in the Office Action dated December 18, 2002, Applicants have amended Fig. 3 in red ink to show the claimed textual input device. It is respectfully submitted that no new matter has been added because the instant specification discloses several examples of textual input devices at page 9, lines 13-16, including a keyboard and a speech recognition system.

Figs. 2A and 3-5 also are resubmitted with properly sized margins.

Respectfully submitted,

Dan Piotrowski
